3/ The Straight Pride Parade attracted a number of hate groups, including the Proud Boys, the American Guard, and the National Socialist Movement.

At least one Proud Boy, Shaun Hufton, served as security for the Parade's Grand Marshal, Milo Yiannopoulos.

11/ This was all reported by @AndyBCampbell in the HuffPo.

Despite knowing this, the Super Happy Fun America organizers still asked Shaun Hufton to be a part of their Security detail at the Straight Pride Parade.

4/ In leaked Proud Boys chats, Hufton planned to assassinate me at a since-cancelled Resist Marxism rally in Providence, even choosing the caliber of firearm he'd use.

7/ Don't stand for hate in your community.

Tell Hugo's employer, Green Cab and Yellow Cab of Somerville, MA, that you won't be using their services until he's no longer with the company.

8/ As we saw at the Straight Pride Parade, the cops serve to protect neo-Nazis organizing in our communities.

Peaceful protesters were brutalized and arrested, maced and hit with bicycles.

Who protects us?

We protect us.

UPDATE: The Green and Yellow Cab of Somerville manager's direct line is 617-628-2222.

Call them and tell them that an anti-LGBTQIA hate group leader having access to their customers' phone numbers and home addresses is a liability for which they are legally responsible.
